Dear Shareholder

TENDER OFFER TO PURCHASE UP TO 12,305,108 ORDINARY SHARES

1. Introduction

Following the Company's recent purchases of, in aggregate, 55,478,226 Ordinary Shares carried out in the previous four tender offers, during which it returned cash to Qualifying Shareholders of more than £7.7 million, the Company is now proposing to undertake a further buyback of up to 12,305,108 of its existing 25,305,108 Ordinary Shares (approximately 48.63 per cent. of its current issued share capital) by way of a Tender Offer at a price of **16.0 pence** per Ordinary Share. The Tender Offer will provide Qualifying Shareholders with another opportunity to realise some or all of their investment in Avarae. Ordinary Shares acquired by the Company pursuant to the Tender Offer will be cancelled.

The Tender Offer will remain open until 11.00 a.m. on 21 November 2018 unless extended at the discretion of the Company. The Company also reserves the right to cancel the Tender Offer at any time should circumstances change and the Directors consider that proceeding with the Tender Offer is no longer in the interest of the Company and its Shareholders.

Accompanying this letter are:

- A document setting out the terms and conditions of the Tender Offer, which also details how you can participate in the Tender Offer ("**Terms and Conditions**"); and
- If you hold your Ordinary Shares in certificated form, a Tender Form which includes further terms and conditions in respect of certificated Ordinary Shares.

You are advised to read the documents in their entirety. Defined terms in this letter have the same meaning as in the Terms and Conditions. If you participate in the Tender Offer, you will be deemed to have accepted the terms and conditions set out in the Terms and Conditions and, if applicable, the Tender Form.

If you do not wish to participate in the Tender Offer, you do not need to take any action.

The attention of Shareholders who are citizens or nationals of or resident in jurisdictions outside the United Kingdom and who wish to participate in the Tender Offer is drawn to the section headed "Overseas Shareholders" in the Terms and Conditions. The Tender Offer is not being made, directly or indirectly, in or into any Restricted Jurisdiction.

Under Isle of Man law, shareholder consent is not required for the Company to undertake the Tender Offer.

2. Basic entitlement, additional tenders and scaling back

Qualifying Shareholders may tender any or all of their Ordinary Shares on the Record Date (6.00 p.m. on 21 November 2018).

Qualifying Shareholders validly tendering up to 48.63 per cent. of their Ordinary Shares held on the Record Date will have their tenders accepted in full.

Qualifying Shareholders may tender all of their Ordinary Shares if they wish to do so (Box 1B on the Tender Offer Form), albeit that the Company cannot guarantee that those Ordinary Shares tendered above 48.63 per cent. of their holding will be accepted. Accordingly, if the Company receives valid tenders from Qualifying Shareholders for 12,305,108 Ordinary Shares or fewer, those tenders will be accepted in full. If the Company receives valid tenders from Qualifying Shareholders in excess of 12,305,108 Ordinary Shares, after an initial allocation to each Qualifying Shareholder of 48.63 per cent. of their Ordinary Shares on the Record Date (or such lower amount as the Shareholder tendered), tenders will be scaled back, to ensure that the total number of Ordinary Shares purchased pursuant to the Tender Offer does not exceed 12,305,108 Ordinary Shares.

In the event that the Company receives valid tenders from Qualifying Shareholders in excess of 12,305,108 Ordinary Shares, the basis of scaling back will be determined by the Company but it is anticipated that scaling back will be conducted on a *pro rata* basis to the number of Ordinary Shares tendered, unless and to the extent the Company determines that there is a good reason to scale back on a different basis, for example, to enable a complete exit for very small shareholders. The decision of the Company as to the basis of scaling back and the treatment of fractions or other issues arising from any scaling back will be conclusive and binding on all Shareholders.

3. Current trading and financial position

In the six months of trading from 31 March 2018 to 30 September 2018, the Company recorded unaudited sales of approximately £0.92 million and an unaudited net loss of approximately £0.08 million, which was in line with the Directors' expectations. Copies of the Company's unaudited interim results for the six months ended 30 September 2018 have been published today and can be found on the Company's website at www.avarae.com, together with copies of the Company's audited annual accounts for the year ended 31 March 2018.

Since 30 September 2018, the Company has recorded unaudited sales of approximately £0.49 million and an unaudited net profit of approximately £0.04 million. The aggregate of the Company's net cash balances and accounts receivable as at the date of this document were approximately £2.43 million, and the Company's remaining stock of coins had an unaudited carrying value, as the same date, of approximately £1.90 million.

The maximum aggregate cash consideration potentially payable by the Company for the Tender Offer Shares will be £1.97 million.

Whilst the Tender Offer Price of 16.0 pence per Ordinary Share is higher than previous tender offer prices, there is no guarantee that any subsequent buybacks proposed by the Company will be at the same or higher price than 16.0 pence per Ordinary Share currently being offered.

4. Action to be taken

If you are a Qualifying Shareholder and wish to participate in the Tender Offer, you should follow the procedure for tendering shares. Qualifying Shareholders can tender up to all of their holding of

Ordinary Shares, should they so wish, but the Company cannot guarantee being able to satisfy any tenders made in excess of the Basic Entitlement. Full details of the Tender Offer, and the procedure to be followed by Qualifying Shareholders wishing to tender Ordinary Shares, are set out in the Terms and Conditions. The closing date for submission of tenders is 11.00 a.m. on 21 November 2018.

The procedure for tendering Ordinary Shares on the Register at the Record Date depends on whether a Qualifying Shareholder holds Ordinary Shares in certificated or uncertificated form. Shareholders holding Ordinary Shares in certificated form should refer to paragraph C.1 of the Terms and Conditions. Shareholders holding Ordinary Shares through CREST should refer to paragraph C.2 of the Terms and Conditions.

5. Taxation

Shareholders are strongly advised to consult an appropriate independent professional adviser in relation to the tax treatment of any sale of Ordinary Shares pursuant to the Tender Offer.

6. Ad Hoc Buybacks in Future

The Tender Offer is designed to offer all Qualifying Shareholders an opportunity to realise some or all of their investment in Avarae. However, the Company is willing to consider individual buybacks from Shareholders in future, subject to legal requirements, financial condition and the Directors considering any further purchase to be in the interests of the Company and its Shareholders. Following completion of the Tender Offer, if you wish to discuss the Company purchasing your Ordinary Shares, please contact the Company through the “Contact Us” section of the Company’s website at www.avarae.com. There is no guarantee that the price agreed (if any) will be at an equivalent or higher level to that of Tender Offer Price.

Neville Registrars Limited cannot provide advice on the merits of the Tender Offer or give any financial, legal or tax advice.

Please note that the Directors make no recommendation to Qualifying Shareholders in relation to their participation in the Tender Offer and recommend that all Qualifying Shareholders consult their duly authorised independent advisers before they make a decision as to whether to tender some, all, or none of their Ordinary Shares, in order to obtain advice relevant to their particular circumstances.
